

To all interested parties, Denver Parks & Recreation is looking for staff to work in after school and summer programs.

\$13.91/HR

**Enjoy working with kids?
Looking for extra hours?**

Community Recreation provides programming and activities for a diverse group of youth, ages 5-16. The Community Recreation team is devoted to engaging the community through facilitating a wide variety of licensed child care programs and activities. These programs include activities such as: *Arts & Crafts, Performing Arts, Health & Wellness, Sports, Cooperative Non-Competitive Games, and Fitness (yoga, etc.)*. These programs and activities take place on-site at elementary schools, recreation centers, and parks throughout the City and County of Denver. Programs operate Monday - Friday, with some Saturdays and/or Sundays for the track and/or cross country program.

**Responsibilities for
Denver Parks & Recreation
Programs**

- Instructors for these programs instruct a variety of activities which may include; homework help, tutoring, sports, active games, arts and crafts, dance, drama, fitness, music, swimming and various recreational, educational, or cultural enrichment events.
- Knowledge and experience in instructing, teaching, or coaching any of the aforementioned activities, skills, or programs is preferable. Experience in behavior management with the ability to supervise groups of children is highly desirable. Bilingual skills are a plus.
- Programs operate Monday – Friday. Time vary depending on program and site locations.

Program Dates: After School programs: current – May 19, 2017;
Summer Programs: June 12- August 11, 2017. Summer Programs has a mandatory training the week of June 5, 2017
